

THE ACTS OF THE APOSTLES

As a sequel to the gospel of Luke, **Acts continues the story of Christianity** in the 1st century, beginning with the ascension of Jesus to Heaven and carries us through the developmental years of Christianity. The early chapters, set in Jerusalem, describe the Day of Pentecost (the coming of the Holy Spirit) and the growth of the church in Jerusalem. The

book of Acts is an important book for **understanding the actions of the apostles, mostly Paul and Peter, after Jesus's ascension into Heaven.** Acts is a sure witness to the reality of Christ's power in believers. It is an important book in understanding how we can be directed by the Holy Spirit, the role of Jesus' lessons in our lives, and what the result of this assurance and acceptance can be in our lives.
